TEAM SPONSORSHIP FORM

Walnut NJB is an affiliate of National Junior Basketball headquartered in Anaheim, California. NJB is a program designed to introduce, teach, and develop the fundamentals of basketball to our local youth. Our primary emphasis is sportsmanship, teamwork, and healthy competition. We are a volunteer organization with an established history in the Walnut area that depends on community support to successfully operate our program which provides an exceptional environment for more than 450 local children.

Funding is entirely dependent upon registration fees and the contributions of local businesses and individuals. All donations are tax deductible*. As a sponsor, your contribution will play a MAJOR role in developing and nurturing the youth of our community. While coaches and league representatives are volunteers, the cost of operating a league dependent upon gymnasium rental is substantial. Your generous contribution will help pay for many items including, but not necessarily limited to gym rental, basketballs, coach screening and education, game related fees, and printed materials.

Team Sponsor (\$200) receives:

- NJB Sponsor Appreciation Plaque with team photograph (1 plaque for each \$200 sponsor)
- Listing of your name on the Walnut NJB webpage
